It is about 8 miles from the airport to downtown. There is currently major road construction underway, so how long the trip takes will depend on the time of day. Generally speaking, according to one particularly helpful Limo driver, it will take 15-40 minutes.

The following companies are permitted to provide ground transportation from Louisville International Airport. Although anyone may drop-off travelers there, those who charge to pick them up must have an airport operating permit.

Taxi, limousine and shuttle services are available on the yellow curb outside the lower-level baggage-claim, next to the taxi stand. Information on Share-a-Ride is available at the taxi stand.

TAXI SERVICES
Taxi fares are set by the Louisville Metro Government and are subject to change. From the Airport to Downtown or Downtown to the Airport, the maximum fare is $18.50 (9/8/14), with no stops between the two places. An additional charge of $3.00 per passenger beginning with the 5th passenger may be added. Waiting time is 36¢ per minute.
