Ad Hoc Peer Summaries include 3 separate reports: Summary, Characteristics and Documentation. The Summary portion shown here is the aggregate data from all the institutions chosen as peers. This STEM Ad Hoc Peer Summary, includes two sections which mirror those given in the STEM Report.

Section 2 data includes the Total cohort and the sub-cohorts, by gender and race/ethnicity, of students who begin as STEM majors at the selected peer institutions and who continue or graduate in any major at the institution.
